ACTIVITIES & PROJECTS

SUSTAINABILITY CLUB
As a co-leader of GROW (Olin's sustainability club), I got reusable travel mugs in the dining hall, switched school to single stream recycling, and worked with facilities to implement sustainable solutions.

THE ACRONYM (POP-UP COFFEE AND TEA SHOP)
I helped to found and operate the ACRONYM, a community experiment in bringing together students, faculty, and staff to generate more community and culture on campus.

GCSP (GRAND CHALLENGE SCHOLARS PROGRAM)
I was part of a team from Olin College (one of 6 teams from the US) selected to attend the 2015 CCGS in Beijing, China to present a business to help English Language Learners we developed.

MIT ACCESSIBLE TECHNOLOGIES HACKATHON
My team won 3rd place at ATHack 2016 for designing a way for a woman with daily refractory epilepsy and her parents to interact.

UOCD
In this user-oriented design class, I worked with my team to design two components of a campaign to promote local agriculture.
